

RUGGED® SSD PRO

PROFESSIONAL THUNDERBOLT™ 3
NVMe SSD SOLUTION

Data Sheet

Max Speed. Elite Strength.

LaCie® Rugged® SSD Pro features a Seagate® FireCuda® NVMe SSD for max Thunderbolt 3 speeds and extreme in-field durability so filmmakers and DITs can play back 6K, 8K, and super slo-mo source files anywhere—without transcoding.

- Delivers NVMe-boosted performance of up to 2800MB/s for file transfers and rendering
- Tackle any terrain with extreme IP67-rated dust and water resistance, three-meter drop tolerance, two-ton car crush resistance¹ in a palm-sized drive
- Works with Thunderbolt 3, USB-C, and USB 3.0 on both Mac® and Windows® computers
- Enjoy long-term peace of mind with the included five-year limited warranty protection plan featuring Rescue Data Recovery Services²
- One-month complimentary membership to Adobe® Creative Cloud® All Apps Plan³ for access to awesome photo and video editing apps

design by neil poulton

Built for Extreme Filming and Editing

Rugged SSD Pro satisfies the cravings of filmmakers and DITs for a scratch disk with high-speed transfers and editing power for up to 8K high-res and super slo-mo footage.

¹ Determined by a test that approximates a real-world scenario in which the hard drive remained functional, despite aesthetic damage after the product was driven over by an approximately 2-ton car (2000 kg/4410 lbs).

² Rescue Data Recovery Services not available in all countries.

³ One-month membership to Adobe Creative Cloud All Apps plan is redeemable during product registration. Must redeem within one month of drive registration. Not available in China. For country list see <https://adobe.ly/cc-countries>. Internet connection and Adobe ID required. Available to users 13 and older. See www.adobe.com/legal.html for applicable terms and privacy policy.
