Power your Dell™ Laptop and Desktop with the 125 Volt Power Cord from Dell. This 2-prong cord measures 3.28 ft in length. This product has been tested and validated on Dell systems. It is supported by Dell Technical Support when used with a Dell system. Please note that this replacement product is refurbished.

To ensure compatibility of a cable with your system, we recommend that you use the System Drill Down or the Service Tag look up feature in the Parts For Your Dell™ tool. These features allow us to establish the system type, form factor, and connection type compatibility of the cable.

Refurbished Spare Parts are parts retrieved from Dell-branded systems that have been returned, some of which have never been used. All Dell refurbished spare parts are certified to comply with all original Dell factory performance specifications and come with a 90-day limited hardware warranty.
