CEILING

BT5921

CEILING MOUNT WITH TILT FOR USE WITH Ø38MM POLES

The BT5921 is a ceiling mount from B-Tech's System V Range; a collection of components designed for the installation of security and other ceiling mounted equipment. Designed to mount Ø38mm poles, the BT5921 features an adjustable tilt mechanism with a tilt range of up to 90°, this makes it ideal for mounting to flat or angled ceilings. Users of System V can create custom ceiling mounted solutions that suit their specific needs, using compatible B-Tech mounting interfaces and accessory collars to mount CCTV dome cameras and other AV equipment such as flat screens.

SPECIFICATION

| | |
|--|-------|
| Max load when mounting on one side of the pole | 25kg |
| Max load when mounting on both sides of the pole | 50kg |
| Total max load | 75kg |
| Tilt | +90° |
| Colour | White |

FEATURES
