

WM87 Semi-Transparent RGB Ultralight Gaming Mouse, White

- Adjustable DPI (max 6200)
- 65 G Ultralight design
- Quick Response time (1ms)
- Huano Switches for crisp clicks
- Software for custom settings
- Flawless tracking performance
- Package contents: Mouse and manual.

Isn't it time to upgrade your gaming experience? Light up your gaming setup with this wireless transparent RGB mouse! Sleek design, vibrant RGB lighting, and a lightweight feel provide performance and comfort for casual and pro gamers.

Ultralight and adjustable

Experience precision and accuracy like never before with this ultralightweight gaming mouse. Weighing in at only 65g, this mouse is perfect for gamers who demand the best.

With a DPI range of 400-6200 and a polling rate of 1000 Hz, you'll always be in control no matter how intense the game gets. You can change the DPI on-mouse or in the software.

Huano Switches

With the Huano Switches, you can expect a crisp click with long-lasting durability and excellent response, making sure you get the most out of your gaming experience.

Transparent & colorful to the max

The transparent design showcases vibrant RGB lighting, which can be customized to match your setup and create the perfect gaming atmosphere with 9 LED modes to choose from.

Customize with the software

And that's not all. The included software allows you to customize the DPI, adjust the RGB lighting to match your mood or set smooth macros to program a series of actions or commands with a single button press, and much more. Switch between up to 4 different profiles for ultimate flexibility based on your game or mood.
