[Canon PIXMA G7050 MegaTank Inkjet A4 4800 x 1200 DPI Wi-Fi:](#)

Keep your budding business up to speed with a 4-in-1 high-yield refillable Megatank printer. Minimise top-ups and keep the cost-per-page down thanks to an 18,000 mono page yield from 3 black ink bottles (7,700 from a colour set)¹. The dedicated pigment black ink keeps text sharp while the colour dye inks create borderless A4 images in vivid detail. To get connected, link up with Wi-Fi and take control via the Canon PRINT app, Mopria (Android), AirPrint (iOS) or Windows 10 Mobile, or tap into the local network via Ethernet. With remote management tools and mess-free top-ups, this is a no-hassle printer with an emphasis on low cost printing without compromising quality.
